CUSTOMER CODE TYPE AND NR O.C.
NR ORDER. RECEPTION NR ORDER OF WORK/PROD.

For those items which need to be returned, you will receive the present document, signed by Profine s.r.l., which you must attach to all transport documents. Returned items must be shipped within 30 days from the approval date. Items with no RMA won't be accepted in any case.

The sender is responsible for the return shipment until the delivery of the product to the recipient company. In this regard, the sender must be considered exclusively responsible for the conformity of the packaging, taking into account the characteristics of the product itself, in order to avoid liquid leakage and / or damage during transport. Profine srl is exonerated from any responsibility regarding the conditions of return of the product.
